GAME CHANGING SPEECHES and TRAININGS

LEADERSHIP FROM THE INSIDE OUT

"Are You the Leader You Would Follow?"

To have a profound impact, you must continually evaluate and find where you deserve to grow. As you grow and move forward, your Influence Expands. As your Influence expands, you become a Leader. As Leaders Improve, Organizations become stronger and more Profitable. Change is how this is created! Let's work together and create the Change you seek with "Leadership Inside Out."

DELETE THE DIVIDE

"Retain & Unite Your Organization!"

In this training, I bring in the biggest key factors to add connection, consideration, and clear communication to any environment. I present how to utilize good listening skills and body language, as well as how to own your voice and stand your ground, without being pushy and offensive.

STUCK SUCKS

"Discover the Gifts in Your Garbage!"

Learn to Identify Business Challenges and Conflict, and turn them to Resolution and Productivity, for Increased Profits & Client Retention. I will teach you the Template and Formula to tackle any challenge, and find the Gift in that Garbage. With this training, you will have the ability to move forward faster with greater confidence and more effectiveness.

ABOUT KRIS

Kris Barney works with organizations to raise their confidence, excellence and integrity which improves their effectiveness, productivity and profits. Your audience will love how interactive she is and will embrace how she stimulates implementation and retention while having fun!

She is the *author of "Leadership from the Inside Out – Are You the Leader YOU Would Follow"*. She is a successful entrepreneur, multi-faceted trainer and a leadership and communication expert. She has coached hundreds of individuals that range from entrepreneurs to corporate executives. Her keynotes and trainings have been well received by corporate leaders, entrepreneurs, and small business owners.

She has successfully built and run four companies. The breadth of her experience gives her a unique vantage point that allows her to customize her message and *relate to leaders' struggles while leading them to solutions*. She loves being able to facilitate change and improvement which ultimately creates success!

Kris Barney has become a voice of Leadership and Empowerment in business and in life. I just finished reading her new book and have found myself constantly quoting her motivating solutions and thought provoking leadership skills.

— Steve Reich
CEO, R Marketing

Kris Barney is a **phenomenal speaker**, insightful thinker and an even better person. She has the ability to make you think introspectively, understand the need for improvement and provide the tools to make it happen.

— Ty Bennett-CSP Speaker, Author & Entrepreneur, Leadership Inc.

"Kris was a **dynamic speaker** who shared empowering insights while having the **frank discussion** that allows you to implement the changes needed to experience lasting success."

—Dr. Tom Grant, Jr., DC

"Kris has **excellent content** and delivers it with **energy and enthusiasm**. The audience was engaged, and loved her!"

— Lori Barland, Managing Director
